At their May 19 meeting in Andover the S. A. D. #44 board of directors approved a 1980 summer driver education program. Approximately 42 students will be able to participate. This is scheduled to be self-supporting with each participant paying $80 for the complete course. This program is similar to one offered in the early '70's. During preparation of the budget for fiscal year 1981, the directors eliminated the driver education course from the programs of studies for 1980-81 as an economic measure.

Athletic Awards at Telstar Wednesday

Telstar athletes were honored at the Spring Sports Banquet on Wednesday, June 4, at Telstar Regional High Schol. The spring banquet marked the first presentation of the Mike Brooks Award, which will be awarded annually to Telstar's most outstanding senior athlete.

The assembly opened with Telstar Regional High School and Telstar Middle School Student Council presidents presenting Athletic Director Peter Brown with the key to the new trophy case. The Student Council officers hoped the trophy case would help to increase school spirit and encourage the athletes to continue to excel.

The girls softball squad, coached by Gerry Durgin, lost only three games all season. Unfortunately, the squad failed to qualify for the tournament, being nosed out by St. Doms in the last game of the season. Coach Durgin awarded trophies to Alberta Smith, Nancy Savage and D.D. Seidell for most improved, Coaches Award, and M. V.P., respectively.

The baseball awards were presented by head coach Peter Brown. Virtually every member of the 1979 State Championship squad graduated, but, nevertheless, Coach Brown expressed satisfaction with the squad's progress during the past year. In honoring the outstanding performers on this year's squad, he gave trophies to Rex Croteau for most improved, Grant Conrad for the Coaches Award, and Rick James for M.V.P.

Bob Remington, the boys track coach, stated that the squad showed increasing improvement as the year went on, and sited the six Telstar students who advanced to the state championships: Tony Butters, Cavenaugh Kelly, Ron Savage, Brian Ellsworth, Jeff Hastings and Eric Hastings. Trophies were presented to the team's three most outstanding performers: Ron Savage for Rookie of the Year; Tony Butters for the Coaches Award; and Jeff Hastings for M.V.P.

The youthful girls track squad performed very well during the past year, with six girls qualifying for the state championship: Cindy Fiske, Virginia Kelly, Beryle Martin, Joyce Gauthier, Kara Flynn, and Terry Clukey. At the state meet, Cindy Fiske set a state record in the 220 yard dash, and the mile relay team established a new state record in their event. Ellen Durgin, girls track coach, presented trophies to: Rookie of the Year, Cindy Fiske; Coaches Award recipient, Joyce Gauthier, and M.V.P., Beryle Martin.

The final award of the evening was the First Annual Mike Brooks Award, This award will be presented annually to the most outstanding senior athlete, and is named in honor of Mike Brooks, the outstanding 12-event athlete who died in an automobile accident last fall. The award was voted on by all the Telstar coaches. Athletic Director Peter Brown presented the award to Beryle Martin, who earned three varsity letters and three M.V.P. trophies in her senior year.

MARATHONS GALORE IN BETHEL THIS WEEK END

On June 7 and 8, The Bethel Inn and the Main Track Club will hold their First Annual Week End for Runners. On Saturday, there will be a 10 kilometer race followed by a Half Marathon on Sunday.

On Sunday, June 8, the Androscoggin Canoe and Kayak Club will hold a 35 mile and a 20 mile flatwater marathon on the Androscoggin River from Shelburne, N. H., and Bethel to the Madison Motor Inn in Rumford. Registration in Shelburne for the 35 mile race begins at 8 a. m. at the Shelburne bridge. Race time is 9:30.

In Bethel, racers entering the 20 mile marathon can register at the Twin Oaks camping area on Rt. 2 where the highway crosses the Andrscoggin River beginning at 9 a. m. and race gets underway at 10:30 a. m. Canoeists from Shelburne, 15 miles up river, are expected to clear the Bethel starting point by that time.

Stan Fox, Bethel's barber whose shop practically overlooks the Bethel starting site, has put up the Beginner's Cup award for the fasting beginning racer to start from Bethel. The Madison Cup, awarded by the Madison Motor Inn's owner, will be presented to the fastest racer from Shelburne.

Canoes are available for rent from a number of Bethel area outlets for those who wish to enter the Bethel race or who wish to be a canoeing spectator.

Annual Chamber Awards Banquet Held Tuesday

The annual banquet honoring local citizens and groups was held at The Bethel Inn on Tuesday, June 3, sponsored by the Greater Bethel Chamber of Commerce. The crowd included some familiar faces who traveled more than a few miles for the occasion—Fred Lincoln, Blaine Moores and the Carlton Champs.

Superintendent of School Kenneth Smith presented the Chamber's Citizenship Awards to this year's oustanding students who were Jeff Barton from East Stoneham and Rachel Mills from Woodstock. Each student received a $50 U. S. Bond and an award certificate. Mr. Smith commented on the factors which had made these particular young people exemplary student citizens, citing such instances as daily farm work before and after school and appearances before the school board as examples of their outstanding performances while at Telstar Regional High School.

The Sunday River Ski Area received the 1980 Business Award for its ability to maintain operations throughout a basically snowless winter, keep its work force of over 80 people employed and support the Junior National Ski Championships in March—an event which drew 160 people from all states but Hawaii to Bethel. In presenting the award chamber executive director Don Bennett noted

Maude is attending University Week at Orono.

Greenwood City

— Mrs. Colista Morgan, Corres. —

It has been a typical last day of May here in the valley, as I write this. It was overcast this morning then a brief sprinkle but clearing and some wind.

We hope we are past the time of frost, at least, so I set out my flowers and Clyde finished his planting by putting out his tomatoes, peppers and planted his beans.

I weeded and turned sods until I was tired then took my camera and went up Mosquito Lane. At times their "music boxes" were so loud that I looked skyward to see if a swarm was going to pick me up.

The violets bloomed along the way and outside the mounds of sticks and brush.

Since last going here, a birch tree had bent across the road, forming an attractive arch. Beneath, a tinging of green had spread to form a mossy carpet. Tiny white violets peek through.

Beyond and near the gate blackberry bushes had pushed upward among the weeds. Fungi and lichens had increased. Each addition had added to the road cover.

I went from the gate to the jingling melody of bobolinks over the fields. They were in full chorus today. Over my head they would circle and their bubbles were much more welcome than the Z-Z-Z of those pesky mosquitoes.

I turned left at this time to a lower field. The bellflower apple tree was in white and pink lace on every branch standing like a giant bouquet in the middle of the field. I photographed it.

Beyond the field-road the lilacs seemed to have outdone themselves, as did those at the top of the hill which I visited earlier in the week. Maybe there weren't more blossoms than usual but it seemed that way. Their color was deep, as their great purple flowers nodded in the breeze. They would bow low then straighten regally in the sunshine. They flavored the breeze with the too-sweet richness like spring wine. I may forget or maybe I'm just awed and delighted afresh each year. Few other flowers have so much fragrance or send it so far. I brought a few home but left them on the porch. I think they are much more lovely out of doors. Usually the lilacs mark places of vanished houses. They are as tough as the old timers who planted them. They stand faithful guard over the sacred spots where courageous pioneers lie sleeping. No one has records of the things which wives and mothers took with them on their pioneer journey but favorite herbs, peonies and lilacs helped to blaze the trail to new homes across our land.

Going back home I walked among gold, uncountable dandelions.

There was a spirit of tranquility over the fields and hills.

The sun was like a molten golden ball in the blue sky.

The swallows and bobolinks rocked, swooped, and reeled. A catbird scolded from near the fall, while from deep in the wood a crow sent its melancholy, half-hearted call.

After I closed the gate I again walked to the tune of Z-Z-Z until nearly home.

By the wood pile a gray mole ran out from the grass at my feet and scurried blindly. He ran first one way then the other. The grass shooked and trembled, as he made his way through it; then fell again into its indolent motion.

It had been a nice walk.

"For there is magic in the wood
When one communes alone
With nature's lovely solitude
Her moods become your own."

Sent in by Eva Yates:

Monday morning, the 2nd day of June and rain. Don't that pitter patter sound good? We need rain so bad, or should I say, some do. Where the garden plots are wet, they don't need rain—we do. It will help those raspberry plants Joe set out Saturday to start growing. I was more than pleased to know the American Legion is putting up a cry about these holidays like Veterans Day and Memorial Day being juggled around just so the ones that hate work so can get an extra play day. That's all it is for and I hope they will put up such a whoop and holler all the holidays will have to be celebrated on the day they come and not three, four or more days before or after the correct day. I hope to live to see the day when there are jobs aplenty and men or women work 10 hours per day. It will be a good day for our country and it will cut the devilry a whole lot. The younger ones today that have a job get too much pay and too much free time to kill, that's why so many get killed.

TV tells this morning of three families crying because of the death of three in their 20's on motor cycles this week end it was not the fault of the bikes!

The Yates go-shoes have had quite a rest this week. A lovely week and lots of work gave the goshoes a vacation. Peggy Blake and sister, Viva, did go to Manchester, N. H., on Wednesday and visited Rachel Silver till Friday.

Elden Yates has returned home after a couple of months spent in Florida. He started work this morning in Rumford.

Darnita Yates and her aunt, Viva Whitman, leave today for their summer work at Black Point.

Friday callers of Eva and Joe were Laura Hutchins and daughter, Lorene, and Eva's 34th great grandbaby—an eight pound miss—named Miranda Lynn.

It was a pleasure to read in the Citizen the article sent in by Martha Farrington about our young people. No truer words were ever spoken and every paper should carry a full page print of that letter. When the teenager goes wrong their names should be printed in the papers and also who their parents are. It might shame some of the parents into taking more interest in their child and less interest in their drinking parties. If Ma and Dad can why can't I??? Let's have more such letters.

Elden, Darnita and Barbara Yates called on Eva and Joe, Yates, Thursday.

Lina Reynolds flew to Florida Wednesday after spending two weeks in town with family and friends.

Peggy Blake attended a cook out with friends Sunday night, June 1.

June 1, Peggy Blake, Joe and Eva Yates donned their goshoes and went to Acton to a rabbit show. The day was nice and everything so fresh and green with lots and lots of lilacs in bloom. We went by way of Fryeburg, Conway, N. H., Sanbornville to Acton and home by Newfield, Limerick, Cornish, Hiram, East Brownfield, Fryeburg, Lovell, East Stoneham and Albany to Bethel. We saw lots of beautiful rabbits and bought our lunch on the grounds, the main dish being rabbit stew, "dewishus" as the little boy said. It is hard to realize so many people raise rabbits until you go to one of these shows and see the different kinds, and colors and so many breeders are women. But it's worth your while to go, you won't regret it. Some raise them for meat alone—some only for show. There are the lop-eared ones, they are in a class by themselves, pretty and all right but don't appeal to me.

STAFF ASSISTANT OF BETHEL PLANNING BOARD RESIGNS POST

At the Bethel Planning Board meeting on Wednesday, May 21, George R. Allen resigned his post as secretary and staff assistant to the Board, citing the increasingly time-consuming nature of his work as Project Director of the Oxford County Historic Resource Survey. The Board accepted Allen's resignation with regret; Chairman Dana Douglass praised Allen for the job he has done since he was assigned to the Board, as part of his work for the Town of Bethel, in January of 1979. Since January of the year, when his CETA contract with the town was completed, Allen has been working for the Board part-time.

The Board discussed their continued need for part-time staff assistant, and asked Chairman Douglass to consult with the Town Manager about a replacement for Allen. Funds to pay a staff assistant to work for the Board part-time, approximately six hours a week, are available, if a qualified person can be found to take the post. Anyone interested in serving in such a post should contact Chairman Douglass or the Town Office.

NEWS FROM M. S. A. D. #44 ADULT EDUCATION PROGRAM

Congratulations from all involved in the Adult and Community Education program go to Tim Kersey for receiving the MAPSAE Teacher of the Year honors in the personal enrichment category. Tim was selected from nominees from the 127 Adult and Community Education programs in Maine, and will receive his award in July at a banquet at USM.

Despite the fact that most of the spring term courses are over, the Adult and Community Education office is still in operation. Director Cathy Newell is busy preparing required year-end reports on aspects of the program, as well as doing some planning for the fall term. Adults who are planning to enroll in the High School Diploma program next fall are urged to visit, or call, the Adult and Community Education office during the next two weeks if possible. The courses are planned to answer the needs and interests of the adult students, and early enrollment is a great help in this.

JACKSON-SILVER POST & UNIT AMERICAN LEGION

The bright blue sky and comfortable weather induced the citizens of Locke Mills to turn out well to view the Memorial day parade on Monday, May 26.

Elden and Carmen Bartlett, the Commander and President of Jackson Silver Post and Unit No. 68, American Legion and Auxiliary, led the parade, accompanied by Miss Poppy, Shelley Swan, age 5, carrying her bouquet of red poppies.

The Post and Unit colors followed them, carried by Ivory Currier, Ray Hakala, Cathryn Lovejoy, Kenneth Hoyt and Charlie Mason.

The Model A, driven by Earl Merrill, carried the WWI veterans and the disabled.

The Telstar marching band, directed by Jerry Hefley, were striking in their blue uniforms and its members played with a perfect beat for the marchers.

At the honor roll a wreath was placed by President Bartlett and Miss Poppy. P. D. C. John Howe escorted Chaplain Fannie Cummings to the water to drop a spray, for those lost at sea. Chaplain Cummings gave the prayer and the speaker was retired Marine Master Sergeant Clayton Ring of North Turner.

The usual ceremony was performed at the cemetery.

Marchers included the D. U. V. of Bryant Pond, Boy Scouts and many children, who were treated for participating.

Several member, the colors and the band went to East Bethel for a brief service and also joined the Bethel program.

1:30 p. m. Chaplain Alanson Cummings was the speaker and the assistant chaplain Cleve Waterhouse offered prayer. The D. U. Veterans arranged the appropriate program and the band joined the marchers and the Model A with WWWI veterans and the disabled.

The Andover people were happy to have the band and Post No. 68 flags, plus the veterans to help them with their late afternoon observance.

This was a total of five services for those willing to give the entire day to their community.

Safety Tip of the Week — What Can the Common Person Do?

Unless you have ice water in your veins, the idea of treating someone who has been seriously injured has to scare a common citizen just a little. But it is a rare person who sooner or later won't be called upon to give someone some form of first aid.

The tragedy is that all too many people are not prepared to help when help is needed.

When an accident happens, you should know how to do your best to help. The first thing you need to know is that FIRST AID means exactly that. It means that you are the FIRST person available to help someone in need of medical treatment.

Many lives are saved every year by thousands of common citizens, who have taken the time to learn treatment for an unconscious person, shock, or how to reassure an injured victim. Even knowing that a calm conversation with an injured person, until professional help arrives, can be very important and rewarding.

If YOU are interested in taking a First Aid Course, please contact instructors Arlene Greenleaf, 824-2744, or Florence Merrill, 824-2521, to enroll in the next scheduled class. Please make this important commitment today. Think seriously about this—you can learn to save a life!

TELSTAR J. V. SOFTBALLLERS HAVE 7-3 SEASON RECORD

The Telstar J. V. softball team finished their season with a 7-3 record. Victories against Oxford Hills and Fryeburg Academy —two each and single games over Gould Academy, Maranacook and Berlin, N. H.

The girls saved their best game for last as they beat traditionally strong Berlin by a 15-6 score. An excellent defensive game and steady hitting proved the winning formula. The girls also ended the season with four straight wins.

The team combined speed and consistent hitting with a good overall defense. Sondra Greenleaf, batting .558, 26 runs scored, and 21 RBI's, a team high; Rhonda Hebert, with a team-leading .568 avg. and 23 runs scored; and Terri Hutchins, .525 batting avg., with 27 runs scored (team high), led the offense. Freshman Marie Cole (.536) 15 runs scored, 16 RBI's, Laurie Powell (.518) with 17 runs scored, Penny Bean (.474), 18 runs scored and 19 RBI's and Sheila Blake (.520) with 13 runs scored provided consistent hitting for the team.

Sheri Angevine (.481), 22 runs scored and Mary MacKay (.455) added exceptional speed to the basepaths.

The defense was led by shortstop Terri Hutchins, 1st base Penny Bean, Lauri Powell making many fine catches in centerfied, and Rhonda Hebert, catcher. Rhonda threw out five baserunners in the last three games. Dora Morton at third base capped a fine year with five assists and two put outs in the game against Berlin. Second base was capably handled by first year players, Sheri Angevine and Mary MacKay. The outfield was solidified by Marie Cole, Suzanne Kimball, who also had her best defensive game versus Berlin with two crucial catches and throwing a runner out at third, Patti Rickards, Sheila Thurston and Sheila Blake.

Sondra Greenleaf, who also played the outfield and 1st base, led the pitching corps. Laurie Powell, who had a season high eight strikeouts vs. Fryeburg Academy and freshman Sheila Blake provided steady pitching. Also used capably on the mound was Terri Hutchins.

significantly greater flow capacity in time of Brook flooding and thus lessen the flooding dangers for adjoining land owners. The State Dept. of Transportation will be holding a public hearing on the proposed project at the site within the next month and a half. Notice of the hearing will be made in the Citizen and all interested residents are urged to attend and ask questions.

It is being proposed that the bridge be replaced under the State Town Way Bridge Program. The estimated total project cost including 500' of road reconstruction and paving and the installation of metal guard rails is $185,000. Of this cost the federal government would pay 60% ($111,000 the State 20% ($37,000), and the Town 20% ($37,000). Following the public hearing, a special town meeting will be required to see if the voters of the community wish to proceed with the project and authorize the town's share of the cost.

Following the Special Selectmen's meeting, the Board of Assessors continued their work on 1980 property valuations. Much of the work has been completed and it is estimated that work should finished about the end of June.

The Selectmen will meet in regular session on Monday evening, June 9, at 7 o'clock in the Bethel Savings Bank meeting room. Agenda items will include: victualers, innkeepers, and lodging house licenses for 1980; review of the renewal liquor license application of the Norseman Inn; consideration of a sewer extension request for Lovers Lane; review of engineering cost estimates for summer public works projects: and consideration of correspondence.

June comes with sad regrets
The month the day I'll never forget

But the pain in my heart is here to stay.
We miss you now our hearts are sore
As time goes by we miss you more
Your loving smile your gentle face
No one can ever fill your vacant place.

— Mrs. Arline Bernier, Corres. —

The Berniers invited family and friends to join them at Heritage Farm June 15 for a picnic.

Margaret Mitchell held a head party at the home of June Swan Tuesday evening.

The last whist party of the season was held at Errol Friday evening. I was quite stunned to bring home high prize which was a nice box of chocolates.

It is best to go easy over Backstreet as the very fine gravel does not pack and one can go up sort of dog fashion or sidewise.

Bertha Lewis was in town recently visiting some friends.

CARD OF THANKS

We would like to express our grateful appreciation to Dr. Steve Kraus and the facilities of the Bethel Health Center for attending to our daughter's injured ear last Saturday night. It is most comforting to know that such medical attention is available here in Bethel.

STATE REPRESENTATIVE IS SEEKING THIRD TERM

State Representative Karen L. Brown of Bethel announced she will be a candidate for re-election to a third term in the House of Representatives for District 63, representing the towns of Andover, Bethel, Byron, Gilead, Hanover, Hartford, Newry, Roxbury, Sumner, Upton and Woodstock, the townships of Milton and Rangeley, Magalloway and Lincoln Plantations.

Rep. Brown, a lifelong resident of Bethel, is currently completing her second term, serving on the Business Legislation Committee.

Throughout her legislative career Rep. Brown has sought to keep in touch with her constituency through a regular column in the Bethel Citizen as well as by means of newsletters, correspondence, personal visits and citizen meetings.

Rep. Karen L. Brown

She was a delegate to several state conventions of the Maine Republican party and an alternate to the national convention in 1976 and will be a delegate to the national convention in Detroit this year. A graduate of Gould Academy and the University of Massachusetts, she was named an Outstanding Young Woman of America in 1979. In addition, she was selected as National Committeewoman to the Young Republican Committee and is currently serving as the chairman of Sen. William S. Cohen's Military Academy Selection Committee.

Regarding her record and political philosophy she observed: "One of the challenges of the 1980's is to see that government works, that it meets the needs of the people of Maine and Oxford County. My record shows that I have worked on legislation to streamline government, to get it off the backs of the people and make it more fiscally accountable." She added, "my work on the ambulance licensing legislation, on the billboard law and on county government reform among others all testify to my concern in this area."

Asked why she is seeking another term, Rep. Brown noted without undue hesitation, "I look to the future with optimism, believing that by working closely with the people we can meet the challenges these times provide. I am running for re-election because I want to continue to be a voice for rural Maine as we chart a new and determined course for a more sound government and an increasingly responsive one."

CONGREGATIONAL CHURCH DIACONATE SEEKS NEW MEMBERS

The Diaconate of the West Parish Congregational Church in Bethel whose job it is to assist the pastor in carrying out his pastoral duties and who help in the arrangement and preparation of the church for regular services. It is a role that is rewarding for anyone who is interested in strengthening the community's sense of moral purpose. When the Diaconate has its full complement of 12 members, each member is called upon to assist in the regular services of the church two months or eight or nine Sundays each year.

In assuming the responsibilities of a member of the Diaconate one is also following a tradition of church and community service which began in the days of the early Christian church and is recorded in the Book of Acts. The present vacancies on the Diaconate board of the Congregational Church are for three men who are concerned with Christian values and who can and will devote some small part of their time to helping the Church assert itself in the development of individual lives for people in our community. Help our young people to mature in a well rounded manner and encourage older adults to participate in the maturing process for all community members.

For further information please contact Donald Bennett of the Diaconate at 824-3322 or Rev. Thomas Caton, Pastor, 824-2653.

We also have white and purple violets blooming almost everywhere one walks. The leaves are now out and they look so different than the bare, skeleton branches of winter. Yesterday morning a bird was calling and calling so I went out to see if I could see it. Out in the Fields With God

The little cares that fretted me,
I lost them yesterday,
Among the fields above the sea,
Among the winds at play,
Among the lowing of the herds,
The rustling of the trees,
Among the singing of the birds,
The humming of the bees.
The foolish fears of what might pass
I cast them all away
Among the clover-scented grass
Among the new-mown hay,
Among the rustling of the corn
Where drowsy poppies nod,
Where ill thoughts die and good are born—
Out in the fields with God!

We cannot say, and we must not say
That you are dead, you are just away!
With a cheery smile, and a wave of the hand,
You have wandered into an unknown land,
And left us dreaming how very fair
It needs must be, since you linger there.
And us—yes us with the wildest yearn
For the old time step and the glad return,
Thinking of you faring on, as dear
In the love of there as the love of here,
Thinking of you still as the same and say,
You're not dead—you're just away!

Did you know . . . that the first government official to institute a system of state-supported public libraries was Emperor Augustus of Rome. His predecessor, Julius Caesar, is actually credited with the idea, but Caesar was assassinated before he could carry out his library plans. In the United States, the first public library was established in 1653 in Boston. Today, there is no public institution in America to compare with the public library when it comes to providing general information and entertainment to citizens. For example, with the growing season now upon us, the Andover Library offers some books on gardening, plant care, landscaping, and other related subjects. A few of the titles include: American Home Garden Book and Plant Encyclopedia; The Gardener's Bug Book; Solar Greenhouse Book; Complete Book of Houseplants; Complete Book of Dried Arrangements. Ask the librarian to show you what is available.

The Andover Planning Board met on May 29 for regular business. Work continued on drawing up a survey to learn residents' views on a variety of subjects. CITIZEN AWARDS BANQUET

continued from Page One

that the award this year and last year as well went to businesses which had weathered a recent crisis and then prospered.

Town Manager Norman Ness presented this year's Community Service Award to the B.E.A.R.S. for the contributions and personal sacrifices by the team for the benefit of the whole community. He cited some of the training requirements wihch each must complete in order to be qualified for duty as the Bethel area emergency medical team, the restrictions on personal life endured by those on-call 24 hours a day and the totally unselfish way in which the organizers of the B.E.A.R.S. had worked to form the team in 1974-75. Especially cited by Mr. Ness for their professionalism and initiative were John and Arlene Greenleaf and Florence Merrill.

The award recognizing outstanding Senior Citizenship was presented to Ralph Hall by Chairman of the Bethel Selectmen, Arlan Jodrey. In his remarks, Mr. Jodrey commented on some of the key aspects that have characterized the role of Bethel's outstanding elder citizens and that is that their daily activities of broad benefit to the community are done quietly, dependably, often almost unnoticed and yet vital to the community's functioning—in Mr. Hall's case the chief beneficiary of his decades of service has been the fire department and those who have called on the volunteer service in time of critical need.

Louise Lincoln received this year's Henry H. Hastings Award for her wide ranging activities devoted to community service. Unknown by Mrs. Lincoln prior to Tuesday evening was the amount of complicated arranging for her return which Awards Committee Chairperson Barbara D. Brown had accomplished in order to get Mrs. Lincoln to the banquet on time. She had been visiting family members out-of-town. Her award was presented by Barbara Brown who cited the recipient's valuable service in the legislature and high esteem in which Mrs. Lincoln was held by both sides in Augusta and numerous other civic and charitable organizations in Maine.

CARD OF THANKS

Thank you Senior Citizens, other friends, and relatives, for the lovely cards, received following the loss of our grandson, Mark. Thank you again.
